

Market Jungle Disclaimers

1. **Risk of Loss:** Day trading involves substantial risk of loss and is not suitable for everyone. You should carefully consider whether day trading is appropriate for you in light of your financial condition, trading objectives, and risk tolerance.
2. **No Guarantees:** There is no guarantee that you will make a profit or that your trading strategies will be successful. Past performance is not indicative of future results.
3. **Trading Strategies:** Market Jungle does not provide investment advice or make trading decisions for you. You are solely responsible for developing and implementing your own trading strategies, and for monitoring the performance of your trades.
4. **Market Volatility:** The market can be volatile, and prices can fluctuate rapidly. It is possible to lose your entire investment in a short period of time.
5. **Technical Issues:** There may be technical issues that prevent you from executing trades or accessing the platform. Market Jungle is not responsible for any losses, damages, or expenses arising from such technical issues.
6. **Third-Party Services:** Market Jungle may use third-party services or APIs to facilitate trading on your behalf. Market Jungle is not responsible for any errors, omissions, or inaccuracies in the data received from third-party services or APIs.
7. **No Liability:** Market Jungle shall not be liable for any losses, damages, or expenses arising from your use of the platform or any trades placed on your behalf. You are solely responsible for any losses, damages, or expenses arising from your use of the platform or any trades placed on your behalf.
